Dear Valued Community Member:

On behalf of the Northwest High School Booster Club, we would appreciate your participation in our annual auction, which will be held on November 7, 2019. Our auction makes up approximately 25% of our annual budget and is a crucial part of our fundraising efforts. We rely on generous community donations for a successful event! All donations are *tax deductible*, and for your reference, our **tax ID number is 52-2187515**.

To thank you for your generosity, we will be advertising your business to over 2,500 consumers in our community including parents, staff members, and students. We will utilize various channels to market your business, including social media (Twitter and Facebook), our website, emails, and our event catalog.

The Northwest High School Booster Club's charter is focused on helping **all** of our students get the most out of their formative high school years – both academically and socially. 100% of all proceeds go directly back to the school and students.

Where does the money go? Over the past few years, your donations have funded activities including:

- Sponsoring NWHS Athletics, including purchasing equipment, scoreboards, and maintaining fields to ensure the safety of all our athletes
- Contributing to the Junior/Senior After Prom Party, keeping our kids and neighborhoods safe on Prom night
- Purchasing Chromebooks, furniture, games, and art supplies for the Media Center, which serves every student
- Supporting NWHS clubs and teams including, but not limited to, American Sign Language Honor Society, Chess Team, Drama Club, Jag-TV, Green Team, Robotics Teams, and Think Pink Club

To donate, please email Kim Summers at silentauction@nwhsboosters.org and include a brief description, item value, expiration date, and any other restrictions. Donations can be sent to the address above, or please contact us to schedule pick up.

We look forward to having your support for this important school event to continue to build upon the success and achievements of our students and staff at Northwest High School.

With Much Appreciation,

Kim Summers
