# Silent Auction Details

## *Bidder Registration:*

Avoid long lines the night of the auction by preregistering to obtain your bidder number. Simply go to [www.nwhsptsa.org/silent-auction](http://www.nwhsptsa.org/silent-auction) and click on the "Bidder Registration" link to provide your contact information. Preregistration will be accepted through November 10th at 3:00 pm. There is no admission charge to attend!

## *Absentee Bidding:*

If you are unable to attend the Auction on November 11th, you may fill out an Absentee Bidder Form, which can be downloaded at [www.nwhsptsa.org/silent-auction](http://www.nwhsptsa.org/silent-auction). On this form, you will provide your contact information and your bid for each item of interest. Your bid will be listed as the first bid on the bid sheet. Absentee Bids will be accepted in the Northwest Main Office until November 11th at 12:00 pm. Be sure to put your best bid – all proceeds benefit the Booster Club, and low bids will likely be outbid the night of the auction.

## *Bidding at the Auction:*

Bidding begins at the Auction on November 11th at 6:30pm. The auction will close by category, starting at 7:15 pm with the final category closing at 8:45 pm. Please refer to the agenda for specific category closing times. You must use your bidder number when placing bids. The highest bid at the close of the auction will win the item. **PLEASE PRINT CLEARLY!** If the Auction Committee is unable to read your number, your bid will be considered INVALID, and the next highest bidder will win the item.

## *Payment:*

Winning bidders will be charged for all purchases on the evening of the event, and immediate and full payment is required. We will require 15 minutes after the final category closes before taking payment. A continuously updated chart will highlight each bidder number to show if that number won at least one auction. Please stay for checkout to claim your item(s).

Credit cards, cash, or check (payable to NWHs Booster Club) will be accepted for payment. Absentee bidders with a winning bid or people who must leave the auction before closing will be contacted after the auction to arrange for payment and pick up. Items not claimed by November 30, 2021 will be offered to the next highest bidder.

If you are attending the auction, PLEASE MAKE EVERY ATTEMPT TO CHECK OUT THAT NIGHT. Busy schedules make coordinating pick up after the event a challenge. All sales are FINAL and are subject to the terms and conditions the donor has placed on the items. There will be NO exchanges or refunds. Every attempt has been made to list all restrictions and expiration dates, where applicable. Food items have various expiration dates and are not noted. You must contact the donor directly for purchased services. In most cases, gift certificates do not include tax and gratuity. Generally, all in-home services or deliveries should be in the Germantown/Boyd's area – check with provider for more specifics. In addition, we cannot be held responsible if a donor goes out of business after the auction date. Thanks so much for your understanding.

## *Silent Auction Etiquette:*

- Do not physically block others from bidding or getting to the bid sheets.
- Do not cross off someone else's bid. Do not ask others not to bid.
- Keep your bid numbers private to maintain anonymity.
- Payments should be made at the end of the auction night. Credit cards, cash, or checks will be accepted. Please come prepared to pay and take your item(s) home!
- If there is a question, please locate one of the auction officials, who have final authority on auction proceedings.
- **Have fun, bid high, and help the NWHs Booster Club have a successful fundraiser!**
