

SAT - ACT PRACTICE TEST FUNDRAISER

Discover Your Student's Best Test While Supporting the PTSA

Northwest HS PTSA has teamed with **Everest Tutors & Test Prep** to offer practice SAT and ACT test sets for a \$30 donation to the PTSA. Everest's practice tests help students determine the best admissions test for their college applications while gaining valuable experience. Everest provides a detailed score breakdown for each test taken and a complimentary meeting to review the results. Students can test in-person on Saturdays or at home on their own time.

How It Works:

1. Visit NWHSP TSA.ORG/DONATESATACT to make your donation.
2. The PTSA will send you a promo code and the link to register for upcoming test dates on Everest's website.
3. Register for in-person or at-home testing, and Everest will arrange everything for your student.
4. After testing is completed, Everest's Director will meet with you to review the results in detail and provide a recommended test plan for your student.

Donation: \$30 – Includes SAT & ACT Practice Tests, 1-hour Review Meeting, and Score Reports

Everest provides premier tutoring and test prep for all subjects, grades, and abilities. Since 2007, we have been a trusted education resource for families across Montgomery County for test prep, subject tutoring, and college admissions counseling. All services available online and in-person.
